

ISV Connection Support

January 2021

ISV Connection Support

IPsx UK Limited (“IPsx”) will contribute up to a maximum of £10,000 plus VAT towards the costs incurred by a Trading Member through the installation of an Independent Software Vendor (“ISV”) approved by IPSX¹, in order to connect to the IPSX Trading Platform.

To be eligible, a Trading Member must, by no later than 31 December 2021:

1. successfully complete IPSX’s Trading Member onboarding process and secure formal admission to IPSX as a Trading Member;
2. successfully complete IPSX’s technical onboarding to the satisfaction of IPSX; and
3. provide IPSX with evidence of the ISV installation cost incurred and paid by the Trading Member in a manner satisfactory to IPSX.

Payment will only be made by IPSX once all of the above steps have been completed.

The contribution will not be available towards the installation costs of any systems that are provided by IPSX, such as cBlue, or towards other marginal costs that a Trading Member may incur in order to access the IPSX Trading Platform.

The contribution is limited to one ISV per Trading Member.

IPsx reserves the right to amend or withdraw this offer prior to 31 December 2021 by providing no less than three (3) months’ notice.

All terms used in this document have the meanings given to them in the IPSX Rules for Members.

Queries

If you require further information on the matters outlined above, please contact:

IPsx Market Regulation
