Consultation on Changes to IPSX Market Hours

Introduction

IPsx UK Limited (IPsx) is conducting a consultation on proposed changes to its market hours. At present, IPSX's trading hours are shorter than those operated by other London-based equity trading venues. IPSX is proposing extending its trading hours so they match those of other London-based equity trading venues, and make related changes to its auction phases and pre- and post-market reporting periods.

Consultation

This consultation is aimed at IPSX Trading Members and IPSX Issuers, who are invited to provide feedback. We also welcome feedback from other IPSX Members and interested parties.

The proposed changes, which are subject to regulatory approval, are described in a consultation document. The consultation document is available here: <https://www.ipsx.com/market-notices/>

Consultation Responses

The closing date for responses is 11 April 2022.

Responses should be sent to regulation@ipsx.com

IPsx will confirm the final rules promptly after the consultation period has ended.
